

SC-65S-B Connectivity Box

Overview

SC-65S-B is a Through-Desk Mount AV Connectivity Box from SEADA which can be flush mounted into a desk or boardroom table to provide discreet, out-of-the-way storage and connectivity of a wide range of AV inputs and outputs.

The SC-65S-B Connective Box comes with a Universal power socket which eliminate the need for power socket adaptors no matter which country it is used at. Its 65W PD power supply with 2 Type C and 1 Type A USB ports making it perfect for charging laptops, Pads and Phones with a single USB cable.

This unit is ideal for installation in desks, boardroom tables, classrooms, demo rooms and so on, where a wide range of audio-visual sources or outputs can easily be temporarily connected, before closing the unit out of the way when not in use.

Solutions that work for your meeting and conference room.
